Somewhere down in Fullerton
There's a place we used to go
To get away from it all
Somewhere down in Fullerton
There's a place we used to go
To get away from it all

But i'm still trying
Just to figure out why
This feels so wrong
When it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
Stay with me forever
Whatever i say
Please don't go away
I just want you to
Stay with me forever

Somewhere down in Fullerton
There's a place that ment
So much to everybody like me
Somewhere down in Fullerton
There's a place that ment
The world to everybody like me

But i'm still trying
Just to figure out why
This feels so wrong
When it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
Stay with me forever
Whatever i say
Please don't go away
I just want you to
Stay with me forever

But i'm still trying
Just to figure out why
This feels so wrong
When it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
Stay with me forever
Whatever i say
Please don't go away
I just want you to
Stay with me forever

Whatever i say
Please don't go away
Won't this feeling
Stay with me forever
Whatever i say
Please don't go away
I just want you to
Stay with me forever
With me
