Oh, the one that got away, got away with my heart  
Broke into my world and tore it apart  
I should pick up the pieces but I don't know where to start  
Oh, the one that got away, got away with my heart

I lost my heart so easily, I feel like a fool  
Against my better judgment, I broke my own rule  
I didn't think I'd fall in love, but what can I do  
Oh, I'm hurting and missing him so

The one that got away, got away with my heart  
Broke into my world and tore it apart  
I should pick up the pieces but I don't know where to start  
Oh, the one that got away, got away with my heart

Well, if I felt any better, I think I would die  
'Cause all I do is sit at home, think of him and cry  
But he ain't worth a single tear that falls from my eyes  
So why do I still love him anyway?

The one that got away, got away with my heart  
Broke into my world and tore it apart  
I should pick up the pieces but I don't know where to start  
Oh, the one that got away, got away with my heart
