Little by little

My heart grieves

Little by little

I call your name

Little by little

My tears flow

Little by little

Everything changes

Little by little

The time goes

Little by little

The days pass by

Little by little

The air clears

Little by little

I can breathe again

I can breathe again

I can breathe again

I can breathe again

Back at the mirror

Your good friend

Talk to the mirror

Play out the game

Stop in the middle,

I stop then

Look at the winner

And the price you pay

Cold was the winter

I trembled

Long was the fall

That had no end

Now little by little

The air clears

Little by little I can breathe

I can breathe again

I can breathe again

I can breathe again

Call your name

Call your name

Call your name

Call your name

Everything changes

Everything changes

I call your name oh

I can breathe again

I can breathe again
