Song: Badly Drawn Boy

Don't wanna give
Don't wanna steer
Don't wanna be anything I'm not
You take answers
I give questions
Like some rolling monologue

Wanna be the one to say
That today could be the day
A pity to believe in what
You know is what you know

I will take you as you are
Please accept me as I am
Find your lonely life bizzare
Know it's above you know I know it's below me

Always ??

Don't wanna live life in your shoes
I don't feel I know the way
Feeling you, giving me directions I don't need
Up and up and round we go
First it's fast and then we're slow
Could u connect with my interlect

I wont take you as you are
Please don't take me as I am
Find your lonely life bizzare
You'll see this in love
You'll see this in life

For an all year round reception
For a love with no connection
Knowing you, knowing my
Ignorance to more then life

Know it's above you, I know it's below me

I will take you as you are
Please accept me as I am
Find your lonely life bizzare
Know it's above you know I know it's below me

I will take you as you are
Please accept me as I am
There'll be something in the wind
To show us the light and tell us we're wrong

I want to move on
