You live your life
Just to let yourself go
You are the lowest
The lowest of the low

Beg for me crawl for me
Down on your knees
You're a sex junkie
You'll do as I please

Harder, faster
Harder, faster
Harder, faster

Secrets of lust
That you keep in your mind
Victims like you
Are so easy to find

First name is Dirt
And your last name is Sleaze
You're a sex junkie
You'll do as I please

Harder, faster
Harder, faster
Harder, faster

Horny ideas
They just clog up your brain
Destruction vice
Or you'll just go insane

Degrading darkness
You live just for these
You're a sex junkie
You'll do as I please

Harder, faster
Harder, faster
Harder, faster

Two-hundred million bodies sold
You come walking
Through the night
Your flesh is hot
You cringe with fright

You perspire through your clothes
Your thing it grows
And grows and grows
Sex hormones dropped
From out of the sky
Millions orgasm
Until they die

Squirming flesh
You beg for more
You live for sex
There is no more

Eat me
