Sometimes I Feel It  
Sometimes I Feel It  
When You're  
Sometimes I Feel It  
When You're Down On Your Knees

(Ichi Ni San Shi)

Sometimes I  
Sometimes I  
Sometimes I  
Feel It

Sometimes I  
Sometimes I  
Sometimes I  
Feel It

When You're  
When You're  
When You're  
When You're  
Down On Your Knees

But I Wonder Sometimes  
If You Really Care  
And I Wonder Sometimes  
If You're Even There  
But I Know  
I Know That You Try  
I Know That You Try  
Your Best To Get By
