"The Divine Penalty"

Visit "[The Divine Penalty](#)" on MotoLyrics.com

There were Lights in the Dark
And the Summer warmed the Air
There's a Whisper of a broken Dream
Of Anger and Despair

Was this meant for me? Was there anything to see?
Was this meant to be?
What I want from me is something I can't be
I will be Shadow of my Mind, Hidden and Unseen

Now, who is calling me?
These Days of Darkness have Light
That I can not see
Am I shouting Anger and Despair to deaf Ears?

I have a Shadow on my Mind, it's Hidden and Unseen

What do you want from me?
Am I serving The Divine Penalty?
It's twisting inside of me
Is it a Demon Soul yearning to be free?
