Ho pehlan pyaar paa ke pichon den dhakke
Dagebaaj majaajana pooriyan ne
Asin puchde reh gaye tusin ki keeta
Te kudiyan aggon hass ke ki kehndiyan ne

Ho.. saade pyar nu na ajmaayi soneya
Jind de ke vi pyaar nibhayi da ae
Dagebaaz aa tusin daga de jaande
Kache ghadeyan naal tur ke vikhayi da ae
Shad yaarian ke tusan saade naal launiyan
Asin unglan te gabhru nachayi de ne
Ve Asin unglan te gabhru nachayi de ne

Kan kar gal sun makhna
Pyar da tenu main val dassna
Kan kar gal sun makhna
Pyar da tenu main val dassna
Taareyan di loye kalla behke soye
Tenu hikk de taveet wangu rakhna
Kan kar gal sun makhna
Pyar da tenu main val dassna

Kan kar gal sun soniye
Akh de ishare naal mohniye
Kan kar gal sun soniye
Akh de ishare naal mohniye
Bulliiyan 'ch hass leya naag wangu dass
Jind kadh layi yaaran di patt honiye
Kan kar gal sun soniye
Akh de ishare naal mohniye

Kare uddun uddun chit khamp laa lavan
Baahvan tere veh gale de wich paa lavan
Kare uddun uddun chit khamp laa lavan

Rakh de Rakh de kaalje te hath channa rakh ve
Vairi kajle di dhaar ban chali talwar

Ho mehak khid di ni billo ang ang 'chon
