I'm so happy now  
I got the big fat tires in the devil machine  
My favorite monster truck  
I'm going to show you up you hot shots  
I can destroy all across my way  
I can even destroy TV shows and the part is yours  
Don't be afraid i want to be your friend,  
I want to turn right in the back and say,  
This is my real life way I'm a monster truck  
I'm a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
Cuz I can destroy u  
Vroom va vroom varami vrami  
Vroom! that's the noise that my machine makes,  
All across the country roads and high ways  
I get excited when i break the peoples heads yeah,  
And now i'm the master blaster and i make disaster  
I'm the chaos master i know you want more monster  
truck  
This is your real life way  
I'm a monster truck  
Im a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
Cuz i can destroy u  
I'm a monster truck  
I'm a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
I'm a monster truck and i will come down and destroy  
you  
Cuz i can destroy you  
Yeah i;m a monster truck!  
Yes i'm a monster truck!

Hey! .. monster truck!  
Yeah.. i'm a monster truuuuuck!  
I'm a monster truck and i will come come down and

you
