CHORUS (everybody wants to go to my party)
... eshteeeee... no pos eshteeeee... no se...
CHORUS (everybody wants to go to my party)

... even Paris Hilton... I like her pretty face, it puts me in
my place,
Here's some lemon and some salt for your icy cold
cerveza,
I like to sit and watch her, shake her baby maker,
Don't be rude, pull out the mace, I like your face, I love
your body...

CHORUS (everybody wants to go to my party)

... even George Bush... With his buddy Danny
Bonadouche... , I mean, Danny Bonaduce,
Flavor Flav and Gary Busey, Gary Coleman begged me
please,
Kenny G got on his knees, Richard Simmons, Baby
Spice,
Ron Jeremy, Vanilla Ice...

CHORUS (everybody wants to go to my party)

Get drunk, get laid and drink Bacardi, HEY!
Is that Barry Manilow? I hope so 'cause I'm a fanilow,
Marc Anthony, Jennifer Lo, Mencia Carlos, Lopez Mario
They all get down, they all get naughty, funky funk
playin' at my party...

CHORUS (everybody wants to go to my party)

... even The Police... Not Summers, Copeland or Sting...
the kinda cops that don't sing,
Ring a ding ding, cell phones covered in bling bling,
Tryin' to get in the VIP area, only for Madonna and
Mariah,
They all get down, they all get naughty, shakin' bakin'
at my party...

CHORUS (everybody wants to go to my party)
