Shy enough not to speak to you  
Crying in the dark when Iâ'm not with you  
Looking at the stars and thinkin' of how we were  
together  
But you broke my heart so all I have to say to you isâ...

Iâ'm so done with you  
Yeah, Iâ'm so done with you

{Chorus}

Don't even try to talk to me  
Don't even try to text me  
Don't even try to phone me  
Cause Iâ'm too busy following my heart  
That I don't have time to speak to you  
But I can never say goodbye to you, boy  
Because you were the best thing that happened to me  
But all I have to say to you now is  
Iâ'm so done with you  
Yeah Iâ'm so done with you

When you said we were getting back together I  
answered with a no  
Before I hung up  
I said Iâ'm too busy, Iâ've moved on  
Soâ...

{Chorus}

Don't even try to talk to me (Don't try)  
Don't even try to text me (Oh yeah)  
Don't even try to phone me (Don't phone me)  
Cause Iâ'm too busy following my heart (Yeah Iâ'm too  
busy)  
That I don't have time to speak to you (No I don't  
have time, boy)  
But I can never say goodbye to you, boy (Never ever,  
oh yeah)  
Because you were the best thing that happened to me  
(Because you)  
But all I have to say to you now is (Yes you)  
Iâ'm so done with you  
Yeah Iâ'm so done with you (Iâ'm so done)

Sometimes I wish (Yeah I wish)  
That we were together  
But then I think about how you broke my heart  
And I had to resist you  
So I kept my distance

{Chorus}

Don't even try to talk to me  
Don't even try to text me  
Don't even try to phone me  
Cause I'm too busy following my heart  
That I don't have time to speak to you  
But I can never say goodbye to you, boy  
Because you were the best thing that happened to me

But I'm so done with you
