Christina/Cheatin Abraham's Children

Christina, you're just a fine understanding lady
I need Ya
Just like the flower, needs the rain
But if it pleases
I wouldn't live my life with out Ya
What's the reason
You want to break my heart in two

Christina I guess you think I'm like all the rest
And that I need Ya
Just when you fall from happiness
But please believe me
All that I'm asking is a chance to show Ya
That you need me
Just as much as I need you

Bridge

I need somebody around
Someone who won't let me down
I need somebody like you
Stop with being sad
You show me life ain't so bad
You let the light shine through

Christina, Baby
I need somebody like you
To get me up in the mornin'

You know that I love you, ah huh
You know that I love you
You know that I love you
Christina in the mornin'
You know that I love you (unison)
Pretty baby yah, yah ha
You know that I love you (unison)
Christina, yah, yah ha
You know that I love you (unison)
Pretty baby,
Wake me up in the mornin'

You know that I love you (unison)
Ah yeah, Ya, Ya, Ya
You know that I love you (unison)
Oohhh Ooooh pretty baby
