## "I Am Down"

You felt it might be a gay  
Between you and him  
Between me and you

You felt it might be better  
To change your life  
But not tonight

I wonder how it would have been  
Without knowing you  
I don't know why I'm asking why

You've never wanted to admit  
That you were crazy for him

I am down tonight  
I am down tonight  
I am down tonight  
Again tonight

I am down tonight  
I am down tonight  
I am down tonight  
Because of you

I don't know why we've never really understood  
Why it was me  
Why it was you

Might pay them all the trouble cause  
We don't care a waste of time  
Not tonight

I thought I was the only one  
Maybe for a day  
Or just tonight

I couldn't bear to have you just  
Half of the time its not enough

I want to figure out before  
It's too late

Before you find out how you really feel

I am down tonight  
I am down tonight  
I am down tonight  
Again tonight

I am down tonight  
I am down tonight  
I am down tonight  
Because of you

I want to figure out before  
It's too late  
Before you find out how you really feel

I am down tonight  
I am down tonight  
I am down tonight  
Again tonight (x3)

I am down tonight  
I am down tonight  
I am down tonight  
Because of you
