Hiding  
Crashing  
I never stop  
You never  
Action  
Friction  
Superstitions

Where I was  
I don't know  
Maybe lost in illusions  
Where I am  
Oh I should know  
I am Lost in Translation (x2)

Walking  
Running  
I never stop, you never  
Action  
Friction  
Superstitions

Where I was  
I don't know  
Maybe lost in illusions  
Where I am  
Oh I should know  
I am Lost in Translation (x3)

Where I was  
You don't know  
Maybe lost in illusions  
Where I am  
You should know  
I am Lost in Translation

(Merci ? Dam?se pour cetttes paroles)
