Back in the city
He's still crying
All along the streets
In the city

He wants to get me
Oh he wants to get me
Stop rubbing my hand
I don't need a slave

Stop calling me baby
I just want to say :
Now way, no way
I've got nothing to say, nothing to say
No way
No way !

Back in the city
He's still trying
All along the streets
In the city

He wants to get me
Oh he wants to get me
Stop rubbing my hand
I don't need a slave

Stop calling me baby
I just want to say :
Now way, no way
I've got nothing to say, nothing to say
No way
No way !

Now way, no way
I've got nothing to say, nothing to say
No way

No way !

No waaay
