Two strangers sharing eyes  
A look that you recognize  
Like a diamond in the sky  
Like a shadow in the night

You say you say you wanna runaway  
Like a dog wrapped up in chains  
Like a midnight masquerade  
A feeling that you can't explain

Runaway let's runaway  
Runaway we gotta runaway

Come on baby let's runaway  
Leave the world behind us  
Cut our hair and change our names  
And nobody will find us

I see the future in your eyes  
Like a truth wrapped up lies  
Like a devil in disguise  
I see the darkness in your light

Runaway let's runaway  
Runaway we gotta runaway

Come on baby let's runaway  
Leave the world behind us  
Cut our hair and change our names  
And nobody will find us

Runaway-way-runaway-way-runaway-way-runaway

Runaway

We gotta runaway

Come on baby let's runaway  
Leave the world behind us

Cut our hair and change our names  
And nobody will find us

Come on baby let's try it  
We got no reason to fight it  
And you know that you need it  
We can keep it a secret
