(Your existence x2)

You glide respectfully  
Around the edge  
Trying so carefully  
Not to pledge

(Your existence x2)

Congratulations  
You passed the test  
Now step up  
And join the rest

(Your existence x2)

Still you shuffle on  
Looking in  
Don't be so shameful  
It's not a sin

(And your existence x2)

One day you'll understand  
The gift of freedom  
That's when you shall  
Really bloom

(Your existence x3)

Don't just contemplate  
Put it into action  
Make your ideas and dreams  
Come true

Take up the space  
That you need to  
Stretch out your arms and make  
A claim  
Make a claim

(And your existence x2)

One day you'll understand  
The gift of freedom  
That's when you shall

Really bloom  
(Your existence...)
