One hour left of feeling alone
One hour left until I get home
to a new beginning

Of all the mistakes that I know I've done
Breaking your heart was the biggest one
But tonight

That's changing
I'm changing

I was the girl that got lost
But now I'm ready to be found yeooooo
I was the girl that got lost
I've got my feet back on the ground yeah

Feel the power of dancing
Feel the power of love

I was the girl that got lost
But now I'm ready to be found yeah

I want my car to take me home fast
I've learned the hard way, accepting the past
And tonight

That's changing
That's changing
I'm changing

I was the girl that got lost
But now I'm ready to be found yeooooo
I was the girl that got lost
I've got my feet back on the ground yeah

Feel the power of dancing
Feel the power of love
I was the girl that got lost
But now I'm ready to be found yeah

The girl The girl Ooo
The girl The girl Ooo
The girl the girl oooooo

I was the girl that got lost

I was the girl that got lost
But now I'm ready to be found yeooooo
I was the girl that got lost
I've got my feet back on the ground yeah

Feel the power of dancing
Feel the power of love

I was the girl that got lost
But now I'm ready to be found yeah
