"Praise You in this storm"

I was sure by now
God, You would have reached down
And wiped our tears away
Stepped in and saved the day
But once again, I say "Amen"
And it's still raining

As the thunder rolls
I barely hear Your whisper through the rain,
"I'm with you"
And as Your mercy falls,
I raise my hands
And praise the God who gives
And takes away

And I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am
And every tear I've cried,
You hold in your hand
You never left my side
And though my heart is torn,
I will praise You in this storm

I remember when I stumbled in the wind
You heard my cry to you,
And You raised me up again
But my strength is almost gone
How can I carry on
If I can't find You?

As the thunder rolls
I barely hear Your whisper through the rain,
"I'm with you"
And as Your mercy falls,
I raise my hands
And praise the God who gives
And takes away

And I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am
And every tear I've cried,

You hold in Your hand
You never left my side
And though my heart is torn,
I will praise You in this storm

I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord,
The maker of Heaven and Earth
