I want somebody to share,
Share the rest of my life,
Share my innermost thoughts
Know my intimate details.
Someone who'll stand by my side
And give me support
And in return
She'll get my support.
She will listen to me
When I want to speak
About the world we live in
And life in general
Though my views may be wrong
They may even be perverted
She'll hear me out
And won't easily be converted
To my way of thinking
In fact she'll often disagree
But at the end of it all
She will understand me.
I want somebody who cares

For me passionately
With every thought
And with every breath
Someone who'll help me see things
In a different light
All the things I detest
I will almost like
I don't want to be tied
To anyone's strings
I'm carefully trying to steer clear
Of those things
But when I'm asleep
I want somebody
Who'll put their arms around me
And kiss me tenderly
Though things like this
Make me sick
In a case like this
I'll get away with it
