Swallowed, in my truth.  
I can't see why this happens to me.  
It hurts deep down in my heart.  
It hurts deep down in my heart.

In my heart, I feel,  
What you mean to me.  
Forgotten pride haunts me  
With my childhood  
It hurts deep down in my heart.  
The bottomless end  
It hurts deep down in my heart.

Once deprived of love,  
Now it's time to speak.  
Life is short, live it long.  
I will never lose nothing  
Again and again for you  
My child, guardian of love  
I'll see that I'll lose  
Never again

It hurts deep down in my heart.  
The bottomless end  
It hurts deep down in my heart.

I feel so ordinary,  
Life is just so plain.  
The clocks just tick forever.  
Every second lost.  
Life's too short, live it long  
I will never lose nothing  
Again and again for you  
My child, guardian of love  
I'll see that I'll lose  
Never again

I feel the love,  
All the warmth  
Guards me, covers me again.

Again, I hear you say

My life is gone.  
It's not over yet.  
By myself,  
I will hear my voice,  
I will feel my thoughts.  
I just want to be me.  
I just want to be me.

Swallowed, in my truth.  
I can't see why this happens to me.  
It hurts deeps down in my heart.  
The bottomless end  
It hurts deep down in my heart.

I will live, I will try, I will love, I won't die.  
I will live, I will try, I won't die.  
I will live, I will try, I will love, I won't die.  
I won't die
