I knew it was wrong
Just the other day
When I saw you standing there
Alone.

I climbed up to the street
To ask you one important thing
It's not about him it's not about her
It's about you and me,
Will you be mine?
Will you be mine?

But why do you throw this at me?
But why do you throw this at me?

"I love everything"
Is what you once said to me
I treasure those words,
Cause it's what moves me along.
Will you be mine?
Will you be mine?

But why do you throw this at me?
But why do you throw this at me?

I want to be yours.
Just hold my hand.
I'll take you there,
If you trust my words

So I think inside my head,
Just what exactly there's to say
There's nothing left.
So I sing this lonely song.
Will you be mine?
Will you be mine?

But why do you throw this at me?
But why do you throw this at me?

Please answer my words.
You are my world.

Be mine
