Ohh, do it again  
I may say no, no, no but do it again  
My lips just ache to have you take the kiss that's  
Waiting for you  
You know if you do, you won't regret it, come and get it

Ohh, no one is near  
I may cry oh, oh, oh but no one can hear  
Mama may scold me cause she told me it was naughty  
But then, please do it again, just do it again

Come and get it, ohh  
Turn out the light and hold me close  
Close in your arms all through the night  
Mama may scold me cause she told me it was naughty  
But then, please do it again, just do it again
