I can only give you love that lasts forever  
And the promise to be near each time you call  
And the only heart I own  
For you and you alone  
That's all, that's all.

I can only give you country walks in Springtime  
And a hand to hold when leaves begin to fall  
And a love whose burning light  
Will warm the winter night  
That's all, that's all.  
There are those, I am sure who have told you

They would give you the world for a toy  
All I have are these arms to enfold you  
And a love time can never destroy.  
If you're wondering what I'm asking in return, dear  
You'll be glad to know that my demands are small  
Say it's me that you'll adore  
For now and evermore  
That's all, that's all.
