Hello,

I have started to write the lyrics of the song "majiti" from cheb Kader but I don't understand all the things he's telling... especially in the end.

Can somebody be kind enough to help me write the lyrics and translate?

Here is the link of the song: (bad quality I am sorry)

and here is what I have started writing.

"Tal sabri wenti majiti  
l3abti bya w b7sassi  
Samrat loun 5diti nari  
slabti belly noum may7lali  
skounti kodami w makfak 3dabi  
dima moraya w dima kodami  
7yati monker derti8a bel3ani  
nchkiha l molana l3ali  
tal sabri wenti majiti (majiti, majiti)  
samrat loun 5diti nari (majiti, majiti)  
tal sabri tal sabri (majiti, majiti)  
tal sabri wenti majiti (majiti, majiti)  
7ram 3lik ana nbrghik  
masa5ich 7atta b3inik  
5ayef lmwaj latadik  
.....tel3ab bik  
....."

I also have difficulties with his song sel dem drai especially in the beginning of the song.

Can somebody help me with that one too ?
