Don't know what much about your life
Don't know much about your love
don't wanna be alone tonight
on this planet they call earth
you don't know about my past and,
i don't have the future figured out and
and maybe this has gone too fast
and maybe its not meant to last

but what do you say to taking chances
what's do you say to jumping off the edge
and never knowing
if there's solid ground below or a hand to hold
or held to play
what do you say?
What do you say?

I just wanna start again
maybe you could show me how to try
maybe you could take me in
somewhere underneath your skin

What do you say to taking chances
What's do you say to jumping off the edge
Never knowing
If there's solid ground below or a hand to hold
or held to play
What do you say?
What do you say?

Had my heart beaten down,
but i always come back for more, yeah
let nothing like love to pull you up
when you're lying down on the floor
so talk to me talk to me
like lovers do
yeah walk with me, walk with me like lovers do.
Like lovers do

What do you say to taking chances
What's do you say to jumping off the edge
Never knowing

if there's solid ground below or a hand to hold
or held to play
what do you say?
What do you say?

Don't know much about your life
don't know much about your past
