"Sins on your mind, feelings on my heart,  
Be close together, isn't bad."

"Upon the stairs, I cannot find shame,  
It's only happiness, with you."

"Oh, oh."

"Danger, it's exciting, taste me softly,  
Warning, I'm not here, I'm not there."

"Danger, it's exciting, taste me strongly,  
Warning, I'm not here, I'm into you."

"Now low your voice, it's true my smile,  
Really, I cannot disguise."

"I am going, don't stop me,  
I can make you fly."

"Danger, it's exciting, taste me softly,  
Warning, I'm not here, I'm not there."

"Danger, it's exciting, taste me strongly,  
Warning, I'm not here, I'm into you."

"No, you can't going through this line,  
Come and touch me you decide,  
That's the pleasure, you understand,  
Ilusion, magic, anxiety and passion tonight."

"Danger, it's exciting, taste me softly,  
Warning, I'm not here, I'm not there."

"Danger, it's exciting, taste me strongly,  
Warning, I'm not here, I'm into you."
