Heaven on earth
that's what you've made
for me since the day we met
Heaven on earth
it's all been so thrilling
I never can forget, uh-oh

Heaven on earth
alone with an angel
is living in dreams come true
Heaven on earth
I know that it happens only when I'm with you

Paradise seemed so far
Like a star, it twinkled high above me
Now I'm wise paradise
isn't far at all when you're around to love me
love me

Oh, heaven on earth
no need in waiting
waiting until I die
Heaven on earth
that's what you've made
a heaven for you and I

A heaven for you and I
(For you and I)
