Im sorry for the things Ive done
I know that Im the foolish one
Now that I see whos to blame
Im so ashamed, Im sorry

Im sorry for the things Ive said
Just like a child I lost my head
I should have known from the start
Id break your heart, Im sorry

Please be kind and I know youll find
Its so easy to forgive
Darling, wait for its not too late
Give our love a chance to live

I know the heartaches youve been through
I know for Ive had heartaches, too
Theres nothing more I can do
But say to you Im sorry

Please be kind and I know youll find
Its so easy to forgive
Darling, wait for its not too late
Give our love a chance to live, oh live

I know the heartaches youve been through
I know for Ive had heartaches, too
Theres nothing more I can do
But say to you----Im sorry

(Darling, Im truly sorry)
