"I'm Sorry"

I'm sorry for the things I've done
I know that I'm the foolish one
Now, that I see who's to blame
I'm so ashamed, I'm sorry

I'm sorry for the things I've said
Just like a child, I lost my head
I should have known from the start
I'd break your heart, I'm sorry

Please be kind and I know you'll find
It's so easy to forgive
Darling, wait for it's not too late
Give our love a chance to live

I know the heartaches you've been through
I know for I've had heartaches too
There's nothing more I can do
But say to you I'm sorry

Please be kind and I know you'll find
It's so easy to forgive
Darling, wait for it's not too late
Give our love a chance to live, oh, live

I know the heartaches you've been through
I know for I've had heartaches too
There's nothing more I can do
But say to you I'm sorry

Darling, I'm truly sorry
