Inside, outside  
Inside, outside

Oh, darling let me in  
It's raining outside  
Please let forgive me so  
It's raining outside

Oh, let my arms return  
To hold you near me  
Your darling heart must learn  
I love you dearly

Oh, darling please be kind  
Don't leave me outside  
Outside your heart am I  
Oh, take me inside

The rings in my heart  
And my heart cries  
Our love dies  
Our love dies

It's inside raining outside  
Inside, outside  
Inside, outside

The rings in my heart  
And my heart cries  
Our love dies  
Our love dies

It's inside raining outside inside  
Inside, outside
