Him speaketh in tongues into the hearts of all flesh
Yeah stanyoi
Whoi

[Ghostface Killah]

Oh God, I beg for forgiveness
So help me Lord, yes I beg for forgiveness
Deep in my heart, please, I'm crying for forgiveness
Allah U Akbar, I fall to my knees for forgiveness
Branded by the steel iron, bullets flying
Ladies being hit through wickedness, I'm losing my grip
I thought we lived by the books, The Bible, Koran
We pick cotton, my back is still hot and dark and
They threw burners in our babies' faces
Pale hands that looked scary touched our bodies in the
strangest places
Sweat from the white man's head
Fell on our daughters as she cried, giving white man
head, almighty
Alrighty, niggaz is screwing
God won't you tell me why these ho niggaz is
screwing?
I'm sorry father, sacrifice me, leave me wife
Sacrifice me twice, so my kids can see paradise...

[Junior Reid]

So we heed our god king sellasie I, jah rastafari
who is seated in zion and reigneth in all
In the hearts of all flesh
Whoa wow
Let my task oh jah with them that strive with me
Fight against them Whoa wow that fight against me
Whoa wow
Take hold thy shield and rock and stand up for my
health
Oh jah, oh jah, only you can comfort me
La la la, la la la la la, la la la la
La la la whoi stand out

[RZA]

Curse to the wicked snakes who try to snatch the truth
away

Cursed be the ones who try to take our youth away

Peace to the black, the brown, the red, yellow, and
white seed

We don't discriminate man over color/creed

They tried to snatch up our beats, son, and steal our
culture

and German Catholics, whitewashing Roman
sculptures

How dare you try to deny Allah's intelligence?

Kidnap the truth, and destroying the black evidence

[Junior Reid]
