(Washed ashore on a lonely island in the sea)  
(Washed ashore on a lonely island in the sea)

Yeah girl  
So many times you told me, baby  
So many times you made me feel  
That this love will last forever  
And that this love was real

Ha!  
But now the tide has changed  
And all the love you stole  
You took out of your sweet little heart  
And just threw it overboard

(Washed ashore on a lonely island in the sea)  
Yeah girl  
(Washed ashore on a lonely island in the sea)

Oh yeah girl  
My life is filled with emptiness baby  
The sadness filled with tears  
How long can I survive without ya, honey  
How many lonely lonely years  
I'm deserted on the isle of sadness  
Where the forgetting is hard to do  
Memories are eating my life away  
Those memories of you

Yeah! yeah yeah girl  
(Washed ashore on a lonely island in the sea)  
No yeah, ha  
(Washed ashore on a lonely island in the sea)

And with the love you tossed away  
With all my heart and all my soul  
Floating on a sea of shattered dreams  
To a isle of tears and woe  
No other love could rescue me, baby  
From this isle of loneliness  
Until you come and save me, baby  
I'll be marooned like this

(Washed ashore on a lonely island in the sea)  
Yeah yeah girl  
(Washed ashore on a lonely island in the sea)  
Oh washed ashore

Gone, gone, gone  
With the love I had for you, baby  
With all my heart and all my soul  
I'll never let you go
