I'm telling you my secrets,  
Just because I trust you  
Don't make me have any regrets,  
Cause' I've had enough of that

I'm telling you these secrets,  
You can tell me yours  
Don't make me any regrets  
Cause' this is too important to tell

I know it's so stupid telling you these secrets  
All it is, is that I couldn't take this pressure  
I'll just tell you my true, true, true thoughts  
And you will do the same to me  
Life just has hard, hard, hard times  
That's the same with me and you  
It's a promise

I'm telling you my secrets,  
Just because I trust you  
Don't make me have any regrets,  
Cause' I've had enough of that

I'm telling you these secrets,  
You can tell me yours  
Don't make me any regrets  
Cause' this is too important to tell

I was always stupid,  
And I was always a loser  
Can you come to me closer,  
I'll be sure to be the cupid,  
Can you hold my hand,  
Filled with sand  
Will you listen to me,  
And this will always be  
A promise...

I know it's so stupid telling you these secrets  
All it is, is that I couldn't take this pressure  
I'll just tell you my true, true, true thoughts  
And you will do the same to me

Life just has hard, hard, hard times  
That's the same with me and you  
It's a promise (Promise)
