Come on!

Turn on your radios, in max volumes
Listen to your heartbeats, they're still goin' up
Just listen to what I sing
It's easy and simple
All you gotta do is
Play the music,
Play the music,
Whoa!

Never think that you're left out
If you think something just shout it out
Even if it was bad
We won't be sad,
Even if we were
All we gotta do is
Play the Music,
Play the Music!

Whoa!

Come on!
Play the music (Music, music)
Play the music (Music, music)
Play the music (Everybody!)
Play the music
Don't try to
Delay the music
Just
Play the music tonight!
Whoa!
