Oo-oo-oo-oo..(yea)..oo..oo  
Oo-oo-oo-oo...oo..oo

When you hear us say yes, sometimes it means no  
We'll tell you to stop, when we want you to go  
I know that we're different, but we're all the same  
It's all in the games that we play

Now if you wanna please me, don't take it so far  
It's gotta be pleasing, but you're trying too hard  
Gotta know how to treat me, if you know what i mean  
It's still the devil and angel I've come between

(Chorus)

You don't get it, don't see it, don't know what I want  
Don't know how I'm feeling, you've got it all wrong boy  
So don't you forget it, you'll never get insideee  
A girl's mind

Oo-oo-oo-oo...oo..oo (A girl's mindd)  
Oo-oo-oo-oo...oo..oo

So if you heard what I'm saying, you'll be thinking it  
through  
You won't do what you want, but what I want you to do  
Could you figure me out? or misunderstand?  
Cause I really want you to know who I am

(Chorus)

If you only knew what I feel for you  
If you only see what you mean to me  
If you'd only hear how much I care  
You'd know what's going on in my head...yeaaaa!

(Chorus 2x)
