Girls can too

Never give up, never give up, never give up
That's what my momma told me
Takin that chance, takin that chance, takin that chance
Would be the right thing for me
Now I, I've got the feeling
About what it takes
For me to be strong

Everyday, everyday, everyday
Feel like I'm number one and
Every way, every way
I'm lookin out for fun and now I
I've got the feeling that it's time to find out just where I
belong

I just love trying the things that are new Now I know what I want to do So I'm gonna keep on trying To make my dreams come true

## Yeah!

The room is jumpin
We'll dance until the dawn
Come with me
There's a party goin on
The place is rocking
It's only just begun
I know the place to go
And we're gonna have some fun
Cause anything that boys do
Don't you know that girls can too

## Girls can too

Maybe it's time, maybe it's time, maybe it's time For me to take control and Maybe I know, maybe I know, maybe I know It's time to take ahold and Now I, I've got the feeling that Totally I believe in myself So now I know what I've got to do I'm not that little girl you once knew

So I'm gonna keep on trying to make my dreams come true

Yeah!

The room is jumpin
We'll dance until the dawn
Come with me
There's a party goin on
The place is rockin
It's only just begun
I know the place to go
And we're gonna have some fun
Cause anything that boys do
Don't you know that girls can too

Girls can too, yeah

Never give up Never give up Never give up yeah yeah

So now I know what I've got to do I'm not that little girl you once knew So I'm gonna keep on trying to make my dreams come true

Yeah!

The room is jumpin
We'll dance until the dawn
Come with me
There's a party goin on
The place is rockin
It's only just begun
I know the place to go
And we're gonna have some fun
Cause anything that boys do
Don't you know that girls can too

The room is jumpin
We'll dance until the dawn
Come with me
There's a party goin on
The place is rockin
