Girls can too

Ooooooh

Never Give Up
Never Give Up
Never Give Up

That's what my momma told me

Takin that chance
Takin that chance
Takin that chance

Would be the right thing for me

Now I

I've got the feeling
About what it takes
For me to be strong

Everyday
Everyday
Everyday

Feel like I'm number one and

Every way
Every way
Every way

I'm lookin out for fun and

Now I

I've got the feeling that it's time to find out just where I
belong

I just love trying the things that are new
Now I know what I want to do

So I'm gonna keep on trying
To make my dreams come true

(Yeah)

The room is jumpin'
We'll dance until the dawn
Come with me
There's a party goin on'
The place is rockin'
It's only just begun
I know the place to go
And we're gonna have some fun
'Cause anything that boys do
Don't you know that girls can too

Girls can too

Maybe it's time
Maybe it's time
Maybe it's time

For me to take control and

Maybe I know
Maybe I know
Maybe I know

It's time to take ahold and

Now I

I've got the feeling that
Totally I believe in myself

So now I know what I've got to do
I'm not that little girl you once knew
So I'm gonna keep on trying to make my dreams come
true

(Ooooooh)
(Yeah)

The room is jumpin'
We'll dance until the dawn
Come with me
There's a party goin on'
The place is rockin'
It's onl
