Girls can too

Ooooooh

Never Give Up  
Never Give Up  
Never Give Up

That's what my momma told me

Takin that chance  
Takin that chance  
Takin that chance

Would be the right thing for me

Now I

I've got the feeling  
About what it takes  
For me to be strong

Everyday  
Everyday  
Everyday

Feel like I'm number one and

Every way  
Every way  
Every way

I'm lookin out for fun and

Now I

I've got the feeling that it's time to find out just where I  
belong

I just love trying the things that are new  
Now I know what I want to do  
So I'm gonna keep on trying

To make my dreams come true

(Yeah)

The room is jumpin'  
We'll dance until the dawn  
Come with me  
There's a party goin on'  
The place is rockin'  
It's only just begun  
I know the place to go  
And we're gonna have some fun  
'Cause anything that boys do  
Don't you know that girls can too

Girls can too

Maybe it's time  
Maybe it's time  
Maybe it's time

For me to take control and

Maybe I know  
Maybe I know  
Maybe I know

It's time to take ahold and

Now I

I've got the feeling that  
Totally I believe in myself

So now I know what I've got to do  
I'm not that little girl you once knew  
So I'm gonna keep on trying to make my dreams come  
true

(Ooooooh)  
(Yeah)

The room is jumpin'  
We'll dance until the dawn  
Come with me  
There's a party goin on'  
The place is rockin'  
It's only just begun  
I know the place to go  
And we're gonna have some fun  
'Cause anything that boys do

Don't you know that girls can too

Girls can too

(Never give up)

(Never give up)

(Never give up)

(Ooooooh)

(yeah yeah)

So now I know what I've got to do

I'm not that little girl you once knew

So I'm gonna keep on trying to make my dreams come true

(Yeah)

The room is jumpin'

We'll dance until the dawn

Come with me

There's a party goin on'

The place is rockin'

It's only just begun

I know the place to go

And we're gonna have some fun

'Cause anything that boys do

Don't you know that girls can too

(Yeaaaaah)

The room is jumpin'

We'll dance until the dawn

Come with me

There's a party goin on'

The place is rockin'

It's only just begun

I know the place to go

And we're gonna have some fun

'Cause anything that boys do

Don't you know that girls can too
