Yeah

Buzz me up to heaven baby

Mmm mmm mmm come on

Buzz me up to heaven

I've been missing you

I should be kissing you

Honey to the bee that's you for me

I wouldn't tell a lie

Got a love I can't deny

Honey to the bee that's you for me

Honey to the bee that's you for me

Honey to the bee

I close my eyes and I see you clear

It feels like you're lying here

All the things I want to say come and go

Easy as the breeze those words just flow

I float on air light as a feather

Your love so sweet like an open flower

I'm dizzy from the time we spent together

I need that honey drip every hour

I'm thinking about your sugar lips

I got a feeling for you now that's so strong

I'm dreaming of the candy in your finger tips

Baby don't stay away from me for too long

I've been missing you

I should be kissing you

Honey to the bee that's you for me

I wouldn't tell a lie

Got a love I can't deny

Honey to the bee that's you for me

Honey to the bee that's you for me

Honey to the bee

Mmm mmm mmm

Buzz me up to heaven baby

Mmm mmm mmm

(Ah, alright come on)

Come on buzz me up to heaven

You make me smile though you're far away  
I hear your voice like it was yesterday  
All the things you do to make me feel so fine  
I gotta tell the world about a love that's mine  
These wings to fly are gonna last forever  
'Cause one by one my dreams come true  
And I touch the sky whenever we're together  
I can't believe the joy I get with you

I'm thinking about your sugar lips  
I got a feeling for you now that's so strong  
I'm dreaming of the candy in your finger tips  
Baby don't stay away from me for too long

I've been missing you  
I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie  
Got a love I can't deny  
Honey to the bee that's you for me

I've been missing you  
I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie  
Got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee

(Heaven)  
You're the only one who can get me there  
(Heaven)  
When you gonna hear my prayer, yeah?  
(Heaven)  
You're the only one who can get me there  
(Heaven)  
When you gonna hear my prayer, yeah?

I'm thinking about your sugar lips  
I got a feeling for you now that's so strong  
I'm dreaming of the candy in your finger tips  
Baby don't stay away from me for too long

I've been missing you  
I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie  
Got a love I can't deny  
Honey to the bee that's you for me

I've been missing you  
I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie  
Got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee

Mmm mmm mmm  
(Honey to the bee)  
Buzz me up to heaven baby  
Mmm mmm mmm  
C'mon buzz me up to heaven
