Yeah, oh, uh, come on
Here comes another one
And another one, introducing Play
Me and my hot girls, come on

Some girls try to compete with me
Lifestyle, that's what I used to be
Had to have everything I wanted
And have it my way

Step back, take a good look at me
I'm old that's what you claim me to be
Gimme some time and
I'll tell you what I know

Did you learn a thing?
(Gotta be a leader, can't just be a crowd pleaser)
Would you do it again?
(Not the same way, got too much to say)

Can you make it raw?
I did it before I can do it once more
Take it to the floor
Ain't a thing to me 'cause, baby I'm

I'm hot, ain't nobody get what I got
Taking hold of the game why not?
Tell me, can you handle it?
I'm a hot girl, you need a hot girl

So hot, raising pressure when I blow up this spot
Keep It tight wanna see what you got
Tell me can you work with it?
I'm a hot girl, you need a hot girl

All my hot girls who need a hot boy
Say oh, oh, oh, oh
All my hot boys who need a hot girl
Say oh, oh, oh, oh

Sometimes I just can't help myself
So fly, I gotta express myself

I can be more than just a girl
I'm better than you what know

I'm the girl that you like to see
And I'll be greater than any fantasy
Ain't no stopping when I've started
No

Did u learn a thing?
(Gotta be a leader, can't just be a crowd pleaser)
Would you do it again?
(Not the same way, got too much to say)

Can you make it raw?
I did it before I can do it once more
Take it to the floor
Ain't a thing to me 'cause, baby I'm

I'm hot, ain't nobody get what I got
Taking hold of the game why not?
Tell me, can you handle it?
I'm a hot girl, you need a hot girl

So hot, raising pressure when I blow up this spot
Keep It tight wanna see what you got
Tell me can you work with it?
I'm a hot girl, you need a hot girl

All my hot girls who need a hot boy
Say oh, oh, oh, oh
All my hot boys who need a hot girl
Say oh, oh, oh, oh

I'm hot, ain't nobody get what I got
Taking hold of the game why not?
Tell me, can you handle it?
I'm a hot girl, you need a hot girl

So hot, raising pressure when I blow up this spot
Keep It tight wanna see what you got
Tell me can you work with it?
I'm a hot girl, you need a hot girl

I'm hot, ain't nobody get what I got
Taking hold of the game why not?
Tell me, can you handle it?
I'm a hot girl, you need a hot girl

So hot, raising pressure when I blow up this spot
Keep It tight wanna see what you got
Tell me can you work with it?

I'm a hot girl, you need a hot girl, I'm hot
