Got an angel at my bedside
Watching over me tonight
Smiling from a photograph
And every thing's just right

Been dreaming of you before
And now it's true
My heart is beating just for you
Baby, I wanna know

Is it love? Is it love?
Is it why I fall every time you call?
Is it love, really love
When you say it's forever?

Is it love, is it love
That I'm breathing
When I dream of you tonight?

Tell me how can I imagine
Something brighter than your eyes?
No one ever came this close
You made me realize

Been dreaming of you before
And now it's true
My heart is beating just for you
Baby, I wanna know

Is it love? Is it love?
Is it why I fall every time you call?
Is it love, really love
When you say it's forever?

Is it love, is it love
That I'm breathing
When I dream of you tonight?

Is it always gonna be?
Will you always care for me?
Is all that I want, all that you need?
Is it all I ever hoped for, baby?

Is it love? Is it love?
Is it why I fall every time you call?
Is it love, really love
When you say it's forever?

Is it love? Is it love?
Is it why I fall every time you call?
Is it love, really love
When you say it's forever?

Is it love, is it love
That I'm breathing
When I dream of you tonight?
When I dream of you tonight
