Anna: Got an angel at my bedside
watching over me tonight
smiling from a photograph
and everythings just right
been dreaming of you before
and now it's true
my heart is beating just for you
baby i wanta know

Chorus
Is it love?
Is it love?
is it why i fall every time you call
is it love?
really love?
when you say it is forever
Is it love
that im breathing
when i dream of you tonight

tell me how can i imagine
something brighter than your eyes
no one came this close
and made me realize

im dreaming of you before
and now its true
my heart is beating just for you
baby i want to know

is it love
is it love
is it why i fall everytime you call
is it love
really love
when you say its forever
is it love
is it love
that im breathing
when i dream of you tonight

is it always gonna be

will you always care for me
its all that i want
all that you need
is it all i ever hoped for baby

is it love
is it love
is it why i fall everytime you call
is it love
is it love
when you say its forever
is it love
is it love
is it why i fall everytime you call
is it love
is it love
when you say its forever
is it love
is it love
that im breathing
when i dream of you tonight
when i dream of you tonight
