(first verse)

Lately, I've been trying to ask you boy if
Maybe I can get much closer to you
I like the way that you move, oh yeah
And you're so innocent
Please don't take this wrong
Cause it's a compliment (It's a compliment)
I just wanna get with your flow (Get with your flow)
You've gotta learn to let go
Oh, baby won't you....

(chorus)

Work it a little
Get hot just a little
Meet me in the middle
Let go just a little bit more (Just a little bit more)
Gimme just a little bit more

(second verse)

Let me, I'll do anything if you'll just
Let me (Come on, baby) find a way to make you explore
I know you wanna break down those walls, yeah
And it's so challenging
Getting closer to you, what I'm imaging (Hold me
close)
I just wanna see you get down (Let's get down)
You gotta let it all out
Oh, baby won't you...

(chorus)

Work it a little
Get hot just a little
Meet me in the middle
Let go just a little bit more (Let go just a little)
Gimme just a little bit more (Gimme just a little bit
more)

Work it a little

Get hot just a little (Just a little bit)
Meet me in the middle
Let go just a little bit more (Oh, just a little bit more)

Gimme just a little bit more (Just a little bit)

(third verse)

It's so exciting, the way you're inviting me (I know you like it like that, ah)

I can't get enough, won't you satisfy my needs? (A little bit, a little bit)

Oh.....

(chorus)

Work it a little

Get hot just a little

Meet me in the middle

Let go just a little bit more (Just a little bit more)

Gimme just a little bit more (Just a little bit more, just a little bit)

Work it a little

Get hot just a little

Meet me in the middle

Let go just a little bit more

Gimme just a little bit more (Oh, just a little bit more, just a little bit more)

Work it a little

Get hot just a little

Meet me (Just a little bit) in the middle

Let go just a little bit more (Meet me in the middle, let go)

Gimme just a little bit more (Oh, gimme just a little bit more)

(Just a little)

(fourth verse)

(Work) Lately

(Get hot) I've been trying to ask you boy

(Meet me) if maybe

(Let go) Oh, I like that way you move

(Gimme just a little bit more) oh, you gotta let go
