Uh oh  
Yeah yeah  
Hmm

Lately, I been tryin' to ask you boy  
If maybe, I can get much closer to you  
I like the way that you move, oh yeah

And you're so innocent  
Please don't take this wrong 'cause it's a compliment  
I just wanna get with your flow  
You've gotta learn to let go  
Oh baby, won't you

Work it a little  
Get hot, just a little  
Meet me, in the middle  
Let go, just a little bit more  
(Just a little bit more)  
Gimme just a little bit more  
(Just a little)

Let me, I'll do anything if you just let me  
(Come on baby)  
Find a way to make you explore  
I know you wanna break down those walls, yeah

And it's so challenging  
Getting close to you, what I'm imagining  
I just wanna see you get down  
You gotta let it all out  
Oh baby, won't you

Work it a little  
Get hot, just a little  
Meet me, in the middle  
Let go, just a little bit more  
(Let go just a little)  
Gimme just a little bit more  
(Gimme just a little bit more)

Work it a little

Get hot, just a little  
(Just a little bit)  
Meet me, in the middle  
Let go, just a little bit more  
(Oh , just a little bit more)  
Gimme just a little bit more  
(Just a little)

It's so exciting, the way you're inviting me  
(I know you really like it like that, ah)  
I can't get enough, won't you satisfy my needs  
(Will you? Will you?)

Work it a little  
Get hot, just a little  
Meet me, in the middle  
Let go, just a little bit more  
(Just a little bit more)  
Gimme just a little bit more  
(Just a little bit more, just a little bit)

Work it a little  
Get hot, just a little  
Meet me, in the middle  
Let go, just a little bit more  
Gimme just a little bit more  
(Oh, just a little bit more, just a little bit more)

Work it a little  
Get hot, just a little  
Meet me, in the middle  
(Just a little, oh, meet me)  
Let go, just a little bit more  
(In the middle, let go)  
Gimme just a little bit more  
(Oh, gimme just a little bit more)

Lately, I been tryin' to ask you boy  
(Work it, get hot)  
If maybe  
(Meet me, let go)  
I like the way that you move  
Gimme just a little bit more  
You've gotta let go
