There is no one else that
I can say this to
And there is nothing better
Than a talk to you
If you have a problem
I'll be here for you
'cause girl you always know that
It's us against the world

I met someone the other night
Someone I really started to like
How will I know if he's right for me
Wonder if we are meant to be

Don't start to like him
Too much
Too soon

There is no one else that
I can say this to
And there is nothing better
Than a talk to you
If you have a problem
I'll be here for you
'cause girl you always know that
It's us against the world

You know that boy I started to see
He thinks he could have it all for free
I wonder if he's the one for me
I tried to talk myself and to see

(ohh)

Don't start to like him
Too much
Too soon

There is no one else that
I can say this to
And there is nothing better
Than a talk to you

If you have a problem
I'll be here for you
'cause girl you always know that
It's us against the world....

There is no one else that
I can say this to
And there is nothing better
Than a talk to you
If you have a problem
I'll be here for you
'cause girl you always know that
It's us against the world

Whenever you're near (Whenever you're near)
There is no fear (There is no fear)
It feels like there's nothing I can't do (Nothing I can't
do)
You make me feel strong
'cause it's here with you
That I belong.....

There is no one else that
I can say this to
And there is nothing better
Than a talk to you
(There's nothing better)
If you have a problem
I'll be here for you
(For you)
'cause girl you always know that

There ain't nobody else but you
That makes me feel the way that you do
There ain't nobody else but you
It's us against the world

There is no one else that
I can say this to
And there is nothing better
Than a talk to you
If you have a problem
(If you have a problem tell me)
I'll be here for you
'cause girl you always know that
(Don't you know that)
It's us against the world

There is no one else that
I can say this to
And there is nothing better

Than a talk to you
If you have a problem
I'll be here for you
'cause girl you always know that
It's us against the world
