(chorus)

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem
I'll be here for you
Cause girl, you always know that
It's us against the world

I met someone the other night
Someone I really started to like
How will I know if it's right for me?
I wonder if we are meant to be
Don't start to like him too much too soon

(chorus)

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem
I'll be here for you
Cause girl, you always know that
It's us against the world

(second verse)

You know that boy I started to see
He thinks he can have it all for free
I wonder if he's the one for me
I try to talk to myself into see
Don't start to like him too much too soon

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem
I'll be here for you
Cause girl, you always know that
It's us against the world

There is no one else that I can say this to
And there is nothing better then to talk to you
If you have a problem
I'll be here for you
Cause girl you always know that

It's us against the world

Whenever you're near (Whenever you're near)
There is no fear (There is no fear)
It feels like there's nothing I can do
(nothing I can do)
You make me feel strong
Cause it's here with you that I belong

There is no one else that I can say this to (Oh, yeah)
And there is nothing better than to talk to you (There's
nothing better)
If you have a problem
I'll be here for you (for you)
Cause girl, you always know that

There ain't nobody else but you that makes me feel the
way that I do
There ain't nobody else but you
It's us against the world

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem
(If you have a problem, tell me)
I'll be here for you
Cause girl, you always know that
(Oh, you know that I'll be there)
It's us against the world

There is no one else that I can say this to
(There ain't nobody else but you)
And there is nothing better than to talk to you
(That makes me feel the way that I do)
If you have a problem
(There ain't nobody else)
Cause girl, you always know that
(But you.....)
It's us against the world
