[Faye]

If you see me walking down the street
Staring at the sky, dragging my two feet
You just pass me by
It still makes me cry
You can make me whole again

If you see me with another guy
I'm laughing and I'm joking
Trying to get by
I won't put you down
Cause I want you around
You can make me whole again

[Chorus]

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you can do no wrong
You can make me whole again

[Faye]

Time is laying heavy on my heart
Seems I got too much of it since we've been apart
My friends make me smile
If only for a while
You can make me whole again

[Chorus]

Looking back on when we first met
I cannot escape and I cannot forget

Baby, you're the one, you can do no wrong
You can make me whole again

[Anais]

So now I'll have to wait
But baby if you change your mind
Don't be too late
Cause I just can't go on
It's already been too long
But you can make me whole again

[Chorus]

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you can do no wrong
You can make me whole again

[Faye]

Ohhh....

[Chorus]

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you can do no wrong
You can make me whole again

Baby, you're the one, you can do no wrong
You can make me whole again
