"One man women"

I got a car, A J-O-B
I'm a independent man
God is blessing me
A lot of girls that I can call
but 9 times out of ten 10
I don't call them at all
The fun and games is over due
I miss having someone to answer to
I got a house, I got a key
There's one more then that I really need

Chorus:

I need a one man woman
and you need a one lady man (I understand)
Girl you don't have to find another
'Cause I'll be your man plus your friend (well here I am)
Since I need a one man women (do you understand)
and you need a one lady man (I understand)
Girl we don't have to find another (oh ohhhh)
We can be lovers and friends (I understand)

I saw you out with all the guys
I love the way you look with the those
big brown eyes and if it were up to me
We'd both run away and start a family
And on a scale from 1 to 10
I'm giving you a 11, boy, you're worth that 1
boy only you can rescue me
I will provide anything you need

Bridge:

I'm trying to prove to you, I think I'm ready for you
baby don't fight my love (I won't fight it)
invite my love (girl you are invited, c'mon)
Haven't I prove to you
I think I'm ready for you baby dont' fight my love
invite my love

Chorus (fades until the end)
