(ohhhh)

It's been a long long time since I seen ya girl
And you still looking good
We go way way back, back in 86
You were the star of the hood
But ain't a damn changed
Since you're on your feet
Coz baby I'm on mine too
Don't forget those days in momma's house
And all that we used to do

Come here and

Chorus:
Unzip your dress
I'm out my suit
First we'll get high
Then we'll get loose
Unzip your dress
I'm out my suit
Tell me you're mine
Girl it's all good

Baby Girl,
Let's shake this spot
Tell your team goodbye
Coz you're riding with me
We're going back to the crib
Get up on old times
if you know what I mean
It's them damn pale blue eyes
You'll be giving me
Ain't a thing you can say

And don't forget those days back in momma's house
And the way we would play

Let me help you....

Chorus

Check this out

I hit ya before I miss
My lover ridiculous
One peck on your neck
Then oh what the heck
Oh maybe I lick your lips
Or maybe I grip the hips
What a relief it is
The more the cushion
The better the pushin
The healthier growth it is
I notice that you're impressed
I'm drawing your interest
I loosen my tie, I look in your eye
You're fixin to lose the dress
Don't give me no mess and no hassle
Coz I'm not the one to wrestle
It's either you're ready to deal
Or girl you go'n have to skidaddle

Chorus 2x

Come on baby
It's been way too long
